

Quarter of a million ROCs sold!

- The latest e-ROC auction of Renewable Obligation Certificates (ROCs) was completed today 24th June 2010 with 243,412 ROCs being purchased.
- The average price achieved was £49.16, on a par with the £49.24 price from the last auction held in March.
- This auction sold the largest quantity of ROCs since 2006 and was the second largest auction since NFPAS began ROC auctions eight years ago.
- Several new buyers and sellers took part in this auction.
- The next auction will take place on Tuesday 28th September and will be the first chance to buy and sell CP9 ROCs.

For further details of our e-ROC auction, please visit our web-site, send us an email, or simply give us a call.
