The Bidder agrees that this Registration Form is submitted subject to the relevant e-TOC Auction Code, and hereby agrees that it is bound by and shall comply with the terms of the e-TOC Auction Code, as amended from time to time by NFPAS in accordance with its terms.

The e-TOC Conditions of Sale and Auction Code envisage that Successful Bidders will receive Certificates through an electronic transfer from the Seller's RTF Account to the Bidder's RTF Account. *[While we expect that most Bidders will prefer to receive a direct transfer from the Seller's RTF Account,* the Bidder may request that, should it become the Successful Bidder, the Seller would transfer the Lot into NFPAS' RTF Account and that NFPAS (acting as an agent on behalf of the Seller) would subsequently transfer such Certificates to the Successful Bidder. If the Bidder wishes to make such a request, the Bidder must sign and return to NFPAS a separate authorisation form prior to the commencement of the Auction. *[Please indicate below if the Bidder would like NFPAS to provide this form.]*

[Yes / No (delete as appropriate)]

By signing and returning this Registration Form the Bidder agrees and acknowledges that the e-TOC Conditions of Sale will apply to the purchase of any Lot by the Bidder in an Auction if the Bidder is the Successful Bidder, and that the price to be paid by the Bidder in respect of any Lot for which it is the Successful Bidder will be determined by the Auction process.
