

Next RTFC auction – Thursday 16th December 2010

TRADE YOUR RTFCs THROUGH THE NFPAS ON LINE AUCTION.

The next user-friendly and convenient RTFC auction will take place on Thursday 16th December.

The RFA will issue certificates on Wednesday 15th and the auction is an ideal way of trading RTFCs for both buyers and sellers. Buyers are able to maintain their anonymity and balance their certificate position while sellers can have access to a good number of buyers at one time therefore encouraging competitive bidding. We can aggregate smaller sellers certificates to make them more attractive to buyers.

In our last auction in November year 2 certificates reached an average price of 11.50p while year 3 certificates sold at their highest auction price of 19.75p. (see chart attached)
