

Next RTFC Auction February 16th

THE RTFC AUCTIONS GET OFF TO A GREAT START IN 2011.

The last auction for RTFCs took place in January and it was the most successful auction to date with almost 9 million certificates sold.

Owing to a high level of interest and strong competitive bidding all period 3 certificates were sold at an average price of 24.10p.

Both sellers and buyers are very positive about the RTFC Auctions and see them as an ideal platform for trading certificates.

Buyers can preserve their anonymity and are not charged any fees, whilst sellers have access to the majority of obligated suppliers in a hassle free, no risk environment

If you have certificates to trade or need any further information please contact Melanie Reay on 0191 245 7330.
