

## RTFC Auction Results – 19<sup>th</sup> March 2013

### Substantial rise in RTFC prices

- The scheduled monthly RTFC auction took place on 19<sup>th</sup> March with almost 1 million certificates sold. The average price achieved was 18p which was a substantial increase from the prices of 9p and 11p from the February and January auctions.
- Remember the RTFC auction allows sellers to sell certificates to be issued at a later date and revise their reserves, if necessary, during the auction. Buyers have the ability to offer prices to sellers lower than the set reserves, a bid and offer type approach.
- The date of the next RTFC monthly auction is Tuesday 23<sup>rd</sup> April 2013.
