

RTFC Auction Results – 21st May 2013

5 million RTFCs sold

- The scheduled monthly RTFC auction took place on 21st May with 5 million certificates sold. The average price achieved was 15.5p for Period 6 certificates for September delivery.
- This is the first time that certificates for future delivery have been sold on the e-TOC auction platform.
- Remember the RTFC auction allows sellers to sell certificates to be issued at a later date and revise their reserves, if necessary, during the auction. Buyers have the ability to offer prices to sellers lower than the set reserves, a bid and offer type approach.
- The date of the next RTFC monthly auction is Tuesday 18th June 2013.

If you have any certificates to trade or need any further information please contact Jacqueline Hudson or Melanie Reay on 0191 245 7330.

Email: info@nfpas.co.uk or visit: www.nfpas-auctions.co.uk

The next e-TOC auction is on Tuesday 18th June 2013.

Notes: NFPAS Auctions also run on-line auctions for the sale of Renewable Obligation Certificates (e-ROC) and renewable electricity (e-POWER) Visit www.nfpas-auctions.co.uk for more details.
