

Next RTFC auction – Wednesday 17th November 2010

WHY NOT TRADE YOUR RTFCs THROUGH THE ESTABLISHED MONTHLY NFPAS ON LINE AUCTION.

The next e-TOC auction for RTFCs will take place on Wednesday 17th November and the auction provides an ideal platform for both sellers and buyers. It is user-friendly and a convenient RTFC trading platform, and of course the auction allows buyers to maintain their anonymity and for smaller sellers to aggregate their certificates.

In our last auction in October when 2.5 million certificates were sold, period 2 certificates reached an average price of 11.55p while period 3 certificates sold for 15.96p.
