

Next RTFC Auction – Wednesday 20th October 2010

HAVE YOU PURCHASED 25% OF PERIOD 2 CERTIFICATES TO USE IN PERIOD 3?

The next e-TOC auction for RTFCs will take place on Wednesday 20th October.

The auction provides an ideal platform for both sellers and buyers. It is user-friendly and a convenient RTFC trading platform, and of course the auction allows buyers to maintain their anonymity and for smaller sellers to aggregate their certificates.

The auction will allow Buyers to purchase period 2 certificates to ensure that they can use the maximum of 25% to fulfil their period 3 obligation.

In our last auction in September when almost 7 million certificates were sold period 2 certificates reached an average price of 11.33p while period 3 certificates sold for 15.40p.
